01

PROFESSIONAL PROFILE

A motivated second-year Information Technology student at Pune Institute of Computer Technology (PICT), with a strong foundation in problem-solving, data structures, and algorithms. Passionate about full-stack web development and emerging technologies, aiming to leverage technical skills and project experience in internships and hands-on roles within the tech industry.

02

EDUCATION

Jet Kids International School Pusad

SSC (2020)

Pune Institute of Computer Technology, Pune

B.E. in Information Technology (Expected Graduation: May 2027)

03

PROJECTS

1)VG Mobile E-Commerce Website

- Developed a fully functional e-commerce platform using the MERN stack (MongoDB, Express, React, Node.js).
- Implemented user authentication, product catalog, and shopping cart features.
- Integrated user reviews system.

2)Netflix and Spotify Clone

- Replicated core functionalities of Netflix and Spotify using Html CSS for the front end and Javascript for the back end.
- Implemented media streaming features, user playlists, and recommendations.

3)Face-Based Attendance System

- Created an attendance system using OpenCV for face recognition and emotion detection.
- Implemented gesture-based interaction for additional functionalities, enhancing user experience.
- Integrated emotion detection to add real-time sentiment analysis.

04

CERTIFICATIONS

- 1)Power BI (TECH TIP Certified)
- 2)3D Printing using SolidWorks* (PICT Certified)
